Aims and objectives of the Short Term Course

Purushottam Khaparde Health & Education Society's Yashoda Girls' Arts & Commerce College Sneh Nagar, Wardha Road, Nagpur-15 (MS)

Certificate Course in Finance Accounting and Taxation (Department of Commerce)

About Aims and Objectives of the Course -

Finance Accounting and Taxation is related to a liking of commerce and accounting skills. The students will be able to analyze data, calculation and basic understanding if GST also and latest taxation laws. The course arranges a strong ground for candidates to take up higher qualification in the field. The certificate program facilitates students' ability to work in areas surrounding taxation, accounting, and finance, marketing and other. The course renders candidates a platform for the required skills and understanding of the subject in depth. The program empowers students in gaining an overview of the Indian tax regime, fundamentals and principles of accounting, taxation, VAT system, Calculation of GST and its various brackets. They are supposed to have good calculation skills and a basic understanding of commerce which can help them install in them the advanced principles of the subject.

Duration - 3 months Intake - 50 students Fees - 150 /*

Report of the Short Term Course

The Department of Commerce organized Short term Course on Financial Accounting and Taxation under the initiative of IQAC for 3 months. The objective of this course is to imbibe in the students the detailed understanding of the subject. The Short Term Course in Financial Accounting and Taxation is one of the significant courses introduced for commerce student which is an essential for a flourishing career, in the period of globalization. The students were evaluated based on written examination. All the students effectively completed the course during the period December 2, 2019 to March 10, 2020. The lectures are delivered by C A Akhil Ramteke, A C Umang Agrawal and C A Sandeep Jotwani. The topics were covered as per the syllabus designed by the committee. The course was delivered through lecture. The total number of 50 students were benefitted and satisfied with the course. After completion of the course certificates are distributed to the learner.

Course Outcomes:

- The students acquired the knowledge in accounting as ratio analysis, fund flow and cash flow statement.
- The students also understood the various concepts of financial accounting, total income and types of assesses and salary / income from other sources.
- The students will also be able apply the knowledge of fundamental concepts of Finance Accounting.
- The students also familiarize and understood the concept of GST- Goods and Service Tax.
