Certificate Course in Flower Arrangement

(Department of Home Economics)

Proposed Curriculum / Syllabus

Academic Session - 2019 – 2020

Aims and objectives of the Course:

This course offers a perfect merge together of theory and practical hands on instructions for the girls' students of our college. The students will learn hands-on skills from the fundamentals of floral design to complete carrying out of minor, major events and commercial aspect of running successful floral making. The course will make them independent to move in the market and can also establish their own business in the changing scenario. The students who may join the event organisers' may also be profited to enhance their design and management skills parallel to the present curriculum of great benefit. All through the course students will be encouraged to build a range of their work.

The course will be conducted in 3 months of 24 sessions. The course gives a direct employment to the students. The expertise of the course designer on flower arrangement in consultation with the college department of Home-Economics will succeed as a floral designer. With 30 students' intake, students will receive a practical personal attention, so that they can be made ready as per the demand of job market. The objective of the course also enable the students enjoy the pleasure of learning and also to make the students earn while learn.

Duration – 3 months / 24 Sessions

Sessions – 2 Days in a week

Time Duration – 1.30 hours

Course Content –

The course enhances the skill to create artificial flowers which can last for much longer time. The design of curriculum various types of flowers with newspapers, tissue papers, fabrics and clay. Floral arranging is much more than simply putting a bunch of flowers into a vase and filling it with water. Learning the basics of floral arranging will help you put together a simple vase of flowers so that it looks elegant and classy. In practical sessions students will learn the basics of floral arranging, from the basic tools they will need, how to prepare for a big event and be able to pull it off. The course will introduce the elements and principles of design, how to use flowers and flora available to them and the mechanics of arranging flowers in vases and in floral foam arrangements, and as hand-held bouquets. The students will also learn how to create the classic flat bouquet and hand-tied posies, as well as bouquets that are arranged in a variety of containers, such as baskets, boxes, and bags.

Books Recommended by the Experts –

1. Flower Arrangement, Westland, Pamela
2. Flower Making From Stocking, Bharati
3. Flower A to Z, hefferman, Celelia
4. Flower Making and Arrangement, Manju Patni

A Report on Certificate Course Conducted in Flower Arrangement (October 4, 2019 to January 30, 2020)

The Department of Home Economic organized Certificate Course on Flower Arrangement for the students under the initiative of IQAC for 3 months. The objective of this course is to apply essential knowledge of flower arrangements and also to make the students earn while learn. There were simple and effective methods for strengthen the greeting setting of any given space for the said course. The course was not designed for engaged or special occasions, but few practical stems helped them to be a just as important in an everyday setting. The students were assessed on the practicals conducted on basics of floral arranging, flowers in vase and in floral foam arrangements and also hand held bouquet. All the students successfully completed the course during the period October 4, 2019 to January 30, 2020. The practical and theory lectures are conducted by Dr Veena Mendule, Dr Geeta Ambatkar and Prof Rekha Meshram. The topics were covered as per the syllabus designed by the committee constituted for the course. The total number of 30 students was benefitted from the course. After the completion of the course certificates are distributed to the students.

Course Outcomes:

- The students obtained application of flower arrangements for different areas & occasions.
- The students learned seasonal flowers and their characteristics and also the technique bouquet, garlands etc
- The students were upgraded their knowledge with characteristics and storage of seasonal flowers, and also due care for flowers and foliage.
- The students understood the drying and preservation of flowers and foliage and also selection and preparation of foliages.
