## B.Com. Students' Feedback- 2017-2018

### Action Taken Report on Analysis of Feedback from Students

The offline feedback forms has been taken duly filled from the Students in which total 70 students of B.Com. during the session 2017-2018 from the institution recorded their responses. The feedback from the Students with respect to all the aspects on curriculum and its implementation in the institution as per the guidelines of NAAC asked to the students as a part of questionnaire has been satisfactory. The analytical report of the feedback is as under:

- 100% students says that the curriculum designed by the University deepen their interest in the study.
- 100% students opined that think the curriculum is designed keeping in view the educational development of the students.
- 100% students are able to work out home assignment regularly.
- 65 students out of 70 opined that the reference/notes related to curriculum available on the college website or given by the teacher.
- 100% students think that the emerging trends have been added in your curriculum.
- 100% students feel that the curriculum studied is really beneficial to build career as it is based on employability.
- 100% students think that think the curriculum is designed in order to enable to compete at national or international platform.
- 100% students accept that the books and references recommended are useful and sufficient.

- 100% students say that the curriculum studied was competent enough to make an ideal citizen of India.
- 100% students accept that that the curriculum was complete in itself and no need of revision/addition in it.
- the syllabus is relevant to make them employable.

The students have no issues in their suggestions with respect to the transaction of the syllabus in the institution and they say that the atmosphere in the college is relevant for learning. They say that the staff of the college is very good and there are sufficient books in the college library on curriculum. The curriculum is helpful in developing their knowledge. Thus, the feedback (responses) on almost all the aspects is above 98% and hence all aspects are satisfactory in the opinion of the Students.
