Students' Feedback- 2021-2022

Students have also given some suggestions with respect to the development of the institution in future. The action taken on the suggestions given by the Students is as under:

Action Taken Report

<u>Suggestions from Students</u>	<u>Action Taken on the suggestions</u>
Two students suggested that they should be given ample opportunities to participate in sports and games.	For the compliance of this demand a letter to the physical education director of the institution has been issued in which she has been instructed to organize games and sports for the students for their recreation and health benefits.
The demand of sanitary napkin vending machine in girls' washrooms.	The proposal as per the demand of sanitary napkin vending machine will be put in the meeting of the college development committee and it will be fulfilled.
Some computer courses should be started in computer lab for students.	The computer training courses in order to give primary knowledge of computer data entry will be introduced in the institution from this session.
