*Yashoda Girls' Arts & Commerce College, Sneh Nagar, Nagpur, was founded on August 1, 1992 by Purushottam Khaparde Health & Education Society, Nagpur. The institution was established by the great inspiration of Hon. Saroj Khaparde, Former Union Minister & secretary, Purushottam Khaparde Health & Education Society, Nagpur who initiated to provide higher education especially to the girls coming from financially weaker and educationally deprived rural background in and around Nagpur. Our institution has been recognized under 2(f) and 12(B) scheme of the UGC Act 1956. In addition to it the institution has carved a niche for itself by getting accredited with B++ grade by NAAC Bangalore in its very first cycle in 2017. After the assessment and accreditation process, the institution has been making its journey in the direction of progress under the guidance of functioning Internal Quality Assurance Cell. Vibrant and efficient leadership of the Principal; highly qualified, experienced and dedicated teaching staff; visionary and inspiring members of the Management body keeping strict vigil on the functioning of the institution; are some of the positive aspects of the institution due to which the institution is marching ahead to fulfill its well defined vision and mission. SOUL uses the MARC format. Catalogue Administration needs knowledge of MARC standard and a bit of understanding how records are identified when they are searched for any purpose. Please refer to Appendix on MARC for understanding its mechanism.

Please DO NOT make any changes in the templates or values against any field, unless you are confident of the change you are making.

Values against each tag in the templates under Catalogue Master take care of identifying the records, separating or grouping them when the user (including staff) seeks any information from the system. These templates will be ready with values needed in a standard library practices. Please ensure you are familiar with the values against each tag in these templates.
