YGC No./ 1743/2022

Date 07/03/2022

To,
The Manager,
Bharat Plastics Industries Ltd,
Hingna, Nagpur.

Subject: Proposal for Memorandum of Understanding for Academic cooperation and also for industrial visit.

Dear Sir,

Taking into consideration the need of practical training and experience to the students in Higher Education of Commerce, Economics and Home-Economics being the part of their academic development and syllabus of the University, we wish to establish an academic agreement with your reputed industry which will facilitate the required ideas/knowledge for the benefit of our students and also for the benefit of the industry as your social responsibility. This agreement will only for the purpose of industrial visit to your plant only once in a year just to make the students understand the different processes of the industries and its functioning.

We hope that your consent and co-operation will have a positive impact on the academic routine of our students. The detailed description of the same is given in the form of the MoU to be signed enclosed herewith.

With regards,

Yours faithfully,

(Dr. Dhanraj Shete)

The Memorandum of Understanding document as outlined in this document is not intended to be a legally binding document. Rather, it is meant to describe the nature and cooperative intentions of those institutions involved and to suggest guidelines for cooperation. Nothing, therefore, shall diminish the full autonomy of either industry or institution, nor may any constraints be imposed by either upon the other, and nothing in this Agreement shall be deemed to create a partnership, joint venture, or agency relationship between the parties.

The Memorandum of Understanding shall remain in force for a period of THREE (3) years from the date of the last signature and will be renewed automatically for periods of the same duration unless it is revoked with the understanding that it may be terminated by the appropriate authorities of either party.

This Memorandum of Understanding agreement will only for the purpose of visit to the industry only once in a year just to make the students understand the different processes of the industries and its functioning. The on the job training will also be facilitated for the students with due permission from the either parties. It is expected that the co-operation will have a positive impact on the academic routine of our students. No

Sub: Letter of Appreciation.

Dear Sir,

I am very much pleased to inform you that the students of your institution visited our Bharat Plastic Industry, Hingna Nagpur today on 14-3-2021 as per the MoU signed today. They were very much enthusiastic to know the production process and other processing in the industry. We shared a lot of information with your students with related to the functioning of our industry. It was a great pleasure interacting with your students which was a very good experience for us and it also provided us the sense of fulfillment of social responsibility of the industry to create a good entrepreneurs for the development of the nation and to create a responsible citizen by sharing the expertise of each other for the better future of India.

I wish good wishes to all your students for their bright future.

Thanking you.
