Sub: NIC Project For Conducting Yoga-Meditation Session

Dear Sir/Madam,

This is to request your help to conduct yoga-meditation in your institute/school/college based on non-sectarian, "how-to-live" teachings of Sri Sri Paramahansa Yogananda.

1. We introduce ourselves as a spiritual organization founded by our Gurudeva Sri Sri Paramahansa Yogananda in 1917 to disseminate among the nations knowledge of definite scientific techniques for attaining direct personal experience of God. The universal Kriya Yoga teachings of Paramahansa Yogananda enable us to create for ourselves spiritually harmonious lives, and to contribute to a more compassionate and peaceful world.

2. Paramahansaji was born on January 5, 1893, in Gorakhpur. From his birth Paramahansaji's deepest desire was God-realization. His search for the Ultimate Goal led him to his guru, Swami Sri Yukteswarji Giri. In his guru's ashram at Serampore, Paramahansaji received spiritual training for ten years. In 1915 Paramahansaji joined the monastic Swami Order.

3. Paramahansa Yoganandaji was always deeply interested in the education of youth. While still a young man he established his first school, with seven boys, at Dihika in Bengal in 1917. His work came to the attention of Sri Manindra Chandra Nundy, the Maharaja of Kasimbazar. In 1918 the Maharaja gave his palace and 25 acres in Ranchi, Jharkhand, to serve as Headquarters for the school, which is named Yogoda Satsanga Vidyalaya.

4. The curriculum includes standard high school subjects as well as yoga concentration, meditation, and the Yogoda system of physical development. Mahatma Gandhi and many other illustrious personages have visited the unique school. Now our society runs over 20 educational institutions in West Bengal and Jharkhand.

5. In 1920 Paramahansaji began his mission in the West. Serving as a delegate from India to an International Congress of Religious Liberals, Paramahansaji gave his first speech in America - "The Science of Religion" - on October 6, 1920 in Boston, U.S.A.

6. With the help of students Paramahansaji founded in 1925 an international headquarters in Los Angeles, California. On the 12-acre estate are ashrams and office building, which carry on the work of disseminating throughout the world the teachings of Paramahansaji.

7. The Government of India is celebrating Paramahansa Yoganandaji's 125th birth anniversary. One of the programmes is to conduct yoga-meditation sessions for students and teachers in schools and colleges. We also plan to distribute one of Paramahansaji's best selling booklets *The Law of Success* to all participants/ your institute's library. These events are being conducted under the aegis of the National Implementation Committee (NIC), Ministry of Culture, Govt. of India.

8. We would be grateful if you could accede to this request of implementing this programme in your prestigious institute.

9. We would also appreciate if you could identify someone from your institute whom we can contact for helping with the above.

Thanking you,

Yours faithfully,

for Yogoda Satsanga Society of India
