- Sudha Murthy has published several books. How I Taught My Grandmother to Read & Other Stories has been translated into 15 languages including English, Hindi and Assamese. Other notable books by her are Wise and Otherwise, Old man and His God and Gently Falls the Bakula.
- At 62, she shows no signs of slowing down. She has been writing for 30years now. She says there is no better way to express herself. There are stories that crowd my mind and are waiting to be pushed out and be written. When she writes she shuts herself away from everything else. This talkative person moves away into total silence. She does not interact with anyone.
