

# **YASHODA GIRLS' ARTS AND COMMERCE COLLEGE, NAGPUR**

## **Key Indicator- 4.3 IT Infrastructure**

### ***4.3.1 Institution frequently updates its IT facilities and provides sufficient bandwidth for internet connection***

*The institution as per its Vision and Mission Document implicates ICT in overall functioning of the institution. Knowing the increasing demand of IT oriented communication at all levels, the institution prominently updates its IT facilities as under:*

- The Old software of Window-7 has been upgraded with New Software Window-10 in most of the office computers. The RAM capacity has also been upgraded as per requirement.
- The Anti-Virus Protection is updated as per requirement.
- Old Monitors have been replaced with flat monitors for the purpose of saving electric energy. The information is provided to AISHE and MIS using IT facilities.
- The WI-FI facility is available in the campus in the form of Reliance Geo Connectivity. Additional Internet connectivity having speed of 100 MPBS BSNL Fiber connections is available.
- Whatsapp groups of each are used for sharing study materials, question papers, conducting Unit tests, providing information of examinations and also for other important communications.

- The institutional website has been students centric and students are encouraged to download syllabus, study material, question banks, videos, Online Feedback from stakeholder and links of important lectures, program and course outcomes, etc., from the institutional website.
- The Google suit has been subscribed for online teaching-learning and evaluation process. It was extensively used during corona pandemic period by all the faculties. The institution also records the important programs and events on G- Suit.
- The IT facilities are extensively used by the administrative office and the information is shared online to make the internal and external communication paperless wherever possible.
- The IMS software of Office Management from E-Prashasan is used to maintain data in Cloud Memory.
- SOUL 2.0 Software (Integrated Library Management System) is used to maintain the library house keeping operation. There is INFLIBNET and OPAC in central library. All these equipments are updated regularly for the purpose of maintenance.
- Software like Talley is used in office for accounting.
- Computer lab internet connectivity language lab. Headphones, study material on screen.
- The CCTV surveillance has been working for security and for keeping strict vigil even in classroom academic activities.
- The wireless and ICT oriented printers are used for convenience.
- The laptops, LCD projectors, computers are adequately used as per the IT demand.
- Computer lab contains 45 computers for students. Office has 5 computers, 3 laptops used for online teaching and 3 computers are in library, six printers and two Xerox machines and a Generator for power backup. The smart interactive board is used for effective teaching learning process and it is made available in the computer lab.
- There is a Xerox machine, printer and Laptop in the IQAC office.
- The examinations are also conducted by using information technology.
- Two television Sets are available in the institution and one is used for academic purpose while other is attached to CCTV.

***The institution has its AMC for computer maintenance, electric repair and printer repair.***
