PROGRAM NAME : CYBER SECURITY

ORGANIZER : DEPARTMENT OF PHYSICAL EDUCATION AND NATIONAL SERVICE SCHEME

A counseling and guidance program on social media safety (cyber security) of women was organized on Thursday 28/10/2021 under the department of Physical Education and National Service Scheme in the college. Under the programme, former student Sukeshini Lokhande mentors Assistant Police Inspector, Crime Branch, Nagpur was invited for guidance. She guided the students in simple and easy language about how women can protect themselves from the crimes that are committed through social media. The reality of social media was presented to the student. Mobile usage is 80% for education and 20% for other things should be done. Have faith in yourself. Do not fall prey to any bait. If something bad happens, report it immediately. She demonstrated how to be safe while using social media. Prof. Rajesh Ghogare guided the students. Determine what exactly you want to do in life, inspired by Sukesini Lokhande's example. Try to do it now. You will definitely get success. He opined that your success will make us proud too.

The program was chaired by the Principal of the College. Principal Dr. Dhanraj Shete guided the students. Even if the situation is poor, don't capitalize on it. If you have determination, perseverance, hard work and willpower, you can empower yourself in any situation, get a job in a good position, for that you have to use less social media and focus more on education. You can do that. He expressed this opinion in the guidance. Conducting this program and thanks by Dr. Lalita Punnya Head of Physical Education Department. College Professor Rajesh Ghogare, Dr. Sharad Sambare, Dr. KG Meshram, Dr. Amol Raut, Dr. Pramod Phating, Dr. Mahendra Katre, Dr. Suryakant Kapshikar, Dr. Govind Ravlekar, Dr. Sudhakar Thool, all other faculty members and students of the college got a great response to this program.
