## Objectives –

To encourage an awareness among the students about the environment, and its protection.

To have a clean and environment-friendly campus that reflects the decent and educational values of the institution.

Tree plantation is the major concern of the management.

To maintain an ideal cleanliness and beauty of the college.

To provide a friendly atmosphere for the academic and non-academic persons.

Nurturing Plants is one of the non-academic detection that develops eco-concern among the students. Personal experience of sowing seeds, watering plants, preparing and using organic manure, removing wild plant and flower etc., has ecologically sensitized by the Yashoda Green Club and other students.

## The Practice -

The college has decided to generate awareness in support of environmental safe keeping. The reason behind this the college has a plastic free zone policy in the campus. The college also promotes the Plantation of trees. We maintain a large beautiful garden and lawn in the college campus. Safai Abhiyans are undertaken regularly by the NSS Unit of the college. We have launched a campaign regarding the environmental problems caused by plastic waste. The college campus is a 'No Plastic Zone' where students are encouraged to avoid the usage of plastic bags and other products. Waste bins have been kept at proper places in the college to avoid gathering of garbage at undesirable places. Cleaning of washrooms for students and staff is done regularly.
